

PART TIME & FULL TIME OPPORTUNITIES

Advocates supports people with developmental disabilities to lead self-directed lives by setting personal goals, following their own vision and values, and hiring and managing their own staff.

Come be part of a team of support professionals that help people to live as independently as possible, learn new skills, be active in their communities, and realize their goals.

Make a difference while making a living!

"Mentors" often support people with skill building in their homes and communities, working on things such as:

- ◆ Participating in fitness activities or sports
- ◆ Participating in social and recreational activities
- ◆ Developing communication and social skills
- ◆ Taking classes and exploring new interests
- ◆ Learning life skills such as budgeting money, grocery shopping and learning to cook
- ◆ Becoming more independent at home

- ◆ Pay range is typically \$13.50-\$16.15/hr. plus mileage
- ◆ Flexible hours
- ◆ Comprehensive benefits package is available at 30 hrs/week
