

Life Skills Health Train

April 22nd - May 3rd

What is Life Skills Health Train...

The Health Train Life Skills program focuses on healthcare career opportunities in the Central New York Area. The Life Skills program will be offered at the Syracuse EOC to provide seeking candidates career exploration in the Certified Home Health Aide, Environmental & Nutrition Services and Medical Transporter positions.

If you are looking for an opportunity to start a career in the healthcare field, the Syracuse EOC is searching for motivated, reliable and hardworking individuals for potential opportunities with Crouse Hospital, Loretto, St. Joseph's hospital and Upstate Medical University.

Individuals interested in applying for the Health Train program must fill out an application at EOC, attend an information session and participate in a pre-screening interview with the selection committee.
