

NY1346944 Can Busse Operator

Grandma Brown's Beans in Mexico, NY has an immediate production opening for a Can Busse Operator.  
33 to 35 hours per week.

Training can be provided for all positions.

This is a Food Production position in a food processing plant.

The Can Busse Operator works primarily in the thermal processing area of the plant. This position involves moving steel baskets of cans filled with product. These baskets are on moveable carts that are put in place to be processed or to be unloaded when the thermal process ends and the cans are ready to be labeled and boxed.

Education and/or Experience: High school diploma or equivalent plus previous experience working in a food processing plant are preferred.

Salary: Depends On Experience. Available benefits include health insurance, paid vacation, paid holidays, and retirement plan options.

TO APPLY for this job: Please call (315)963-7221 to schedule an interview. CALL 1st!
