Opportunities for enhancement and promote from within philosophy:

To advance the professional growth of our employees, we provide exceptional training in leadership, quality, communications and technology. We also offer on-the-job training to facilitate career advancement. We are a rapidly growing company with great opportunity for growth.

FedEx Ground believes it is important to give back to the communities we serve and support organizations that have a positive impact on them.

We focus our philanthropic efforts in four key areas: disaster relief, safety, education and health and human services.

We work closely with national and local organizations to help them achieve their goals.

In addition to corporate giving, FedEx Ground employees volunteer hundreds of hours each year to make our local communities better places to live, work and play.

Come see why FedEx ranks among America's "Best Places to Work."

FedEx believes that access to new markets, knowledge and opportunities makes people's lives better. We know that connections foster prosperity, and to maintain progress toward a better world, we must not only create access for today's thinkers, leaders and entrepreneurs, but for the next generation as well.
