

Western Property Services:

Join our team of landscape professionals. If you enjoy working outside and doing something new daily this may be a great fit for you.

We pride ourselves on creating beautiful outdoor environments for our clients and delivering an excellent level of customer service. We are looking for a professional, honest candidate who can show up on time for work daily and work hard to help accomplish the tasks and goals set out for our customers.

Experience is preferred but will teach and train the right candidates who show drive and ambition. As a team member you will perform a variety of tasks including lawnmowing and string trimming.
